Sir,

In reply to your docket No. Fl. 1465 dated the 4th December 1903, forwarding for report some applications for house building advances, I have the honor to submit in original line seperate and detailed reports made by the Treasury Assistant Commissioner on the Marginally noted applications, after his personal inspection of the houses, to build which the advance has now been applied for.

The applications are herewith returned.

I have the honor to be,

Sir,

Your most obedient servant,

Sd. Narasinga Rao Purnaiya.

For Deputy Commissioner.

Report on the inspection of the house of A. SreeKantiah, clerk, General Department, General and Revenue Secretariat, situated in Malleswaram Extension.

Sl. 3

I inspected this house on the evening of the 20th December 1903, and the District Subovenseer accompanied me to aid me in the valuation of the house and other technical matters.

From the Treasury Office records it is seen that the first advance has been fully paid up, the original advance being Rs 660/-

The valuation of the house as it stands at present is nearly Rs 800/- according to the estimation of the Subovenseer and myself.

The original and approved plan was not submitted.

The proposals of the owner with regard to the improvements of his building are the erection of a verandah, 2 rooms and a latrine.

His own rough estimate furnished to me amounts to Rs 450/- and the District Subovenseer thinks that the improvements could be effected at a cost of Rs 400/-.

The verandah seems necessary, a portion

of which will be made a small out-room for the convenience of the women and to give beauty and value to the house; and bath-room is very essential.

Under the above circumstances I submit that his application may be favourably considered and the second advance sanctioned.
